Rotary Cabinets

This space saving multi-media cabinet rotates to allow double depth storage. Store top tab files, end tab files, notebooks, supplies, boxes, and electronic media all in the same cabinet. Cabinet is lockable.

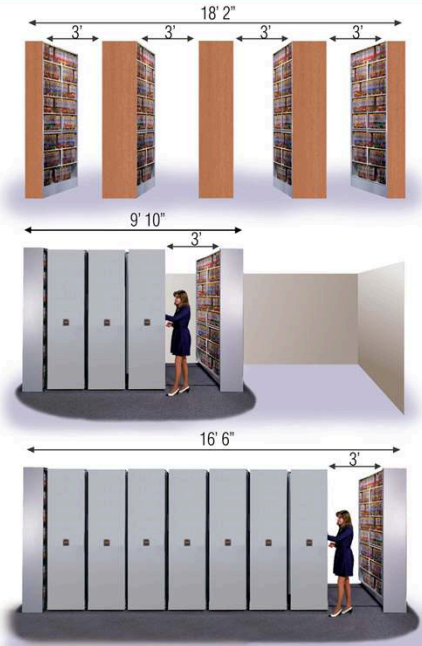

Document Sorting & Literature Organization Systems

Sorting equipment is critical to properly and efficiently process business information. Whether your need is for a mailroom, copy center, or literature, we can help.

File Relocation & Conversion to End Tab Filing Systems

This side tab hanging pendaflex filing system allows you to quickly and easily convert your top tab files to a save space and increase retrieval rates.

High-Density Mobile Shelving Concept

This space saving storage system can store anything from files to pallets! In most situations your storage space can be cut in half, and compared to traditional file cabinets your space could be cut to a third.

Box Storage Shelving Systems

This box storage shelving is designed to store archival boxes efficiently. This equipment allows you to eliminate costly offsite storage and keep your information at your facility where you need it.
