Safe & Secure Parachute Storage

by Spacesaver®

When you trust your life to your parachute you can trust the Universal Storage Container by Spacesaver to store it safely and securely.

The durable and user-friendly parachute container optimally stores your parachutes out of harms way. Designed to perfectly fit up to 30 T-11 parachutes. Built to last under military conditions.

Combine the Parachute Container with Spacesaver's ActivRAC® Mobilized Storage System for the ultimate in convenience and storage density.

STANDARD FEATURES
