FF&E Specification Provided By Southwest Solutions Group, Inc.

Item Name: Bicycle Racks 42' wide x 36" deep

Standards:	Manufacturer:	Southwest Solutions Group, Inc.
	Contact:	Craig Crock
	Address:	4355 Excel Parkway Suite 300 Addison, TX 75001
	Phone:	800-803-1083 ext. 3693
	Fax:	972-250-2229
	E-mail:	ccrock@southwestsolutions.com
	Model Number:	SSG-423688-BIKE-34969- CC
	Size	42" wide X 36" deep X 88 1/4" high
	Finish	Powder coat steel paint finish
	Upholstery:	n/a
	Note:	Adjustable bike storage units

Solid steel construction bike racks with adjustability on 1 1/2" increments. Top adjustable shelf utilized for storage. Provide welded steel side frames with quick lock construction. Uprights shall consist of 18 ga. cold rolled steel. Keyhole shaped slots are placed on 1 1/2" centers vertically on the inner face of the posts so there are no exposed holes on the outside of the cabinet. Adjustable shelves are 22 ga. cold rolled steel and sit on shelf supports that lock into the keyholes. Provide reinforcement so that the each adjustable shelf can hold 300 lbs. and entire rack can hold 2,500 lbs of weight. Product must be Greenguard Certified. Requires no tools to assemble and units are free standing individual units to allow for flexibility (picture below shows 6 units sitting side by side). <http://www.southwestsolutions.com/equipment/bike-storage-racks> Each rack holds 2 bikes, but provides the ability for additional bike hooks to be added later.
