

INFO SHEET

Wire Baskets for FrameWRX® Storage System

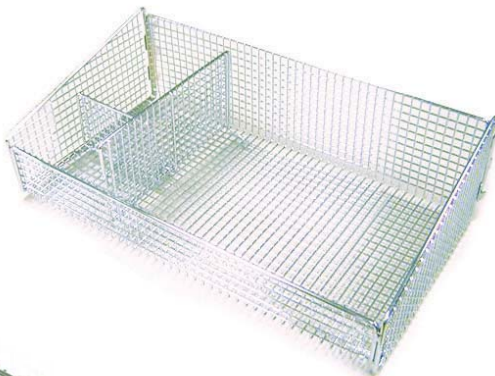

Developed exclusively for Spacesaver, FrameWRX® wire baskets are designed to mount directly into Spacesaver's FrameWRX and Cantilever frames. The open wire construction minimizes dust accumulation and allows free circulation of air, high visibility of stored items, and maximum light penetration.

STANDARD FEATURES:

- Single-piece, all welded construction that mounts level or at a 17° slope for ease of access.
- Durable and reconfigurable, without tools or fasteners.
- 80 lbs. weight capacity per basket.
- Available in a variety of sizes.
- Chrome plus finish.
- Dividers and label holders available for added flexibility and organization.
